Did you know?

What are NFTs?

NFTs = Amazing

Non-Fungible Tokens, or blockchain based tokens are used to represent ownership of unique physical, digital, or metaphysical items such as art, collectibles, and even real estate.

They also manage licensing, provide social status, grant exclusive access, and certify authenticity.

Also... Did you know that

How Good are NFTs?

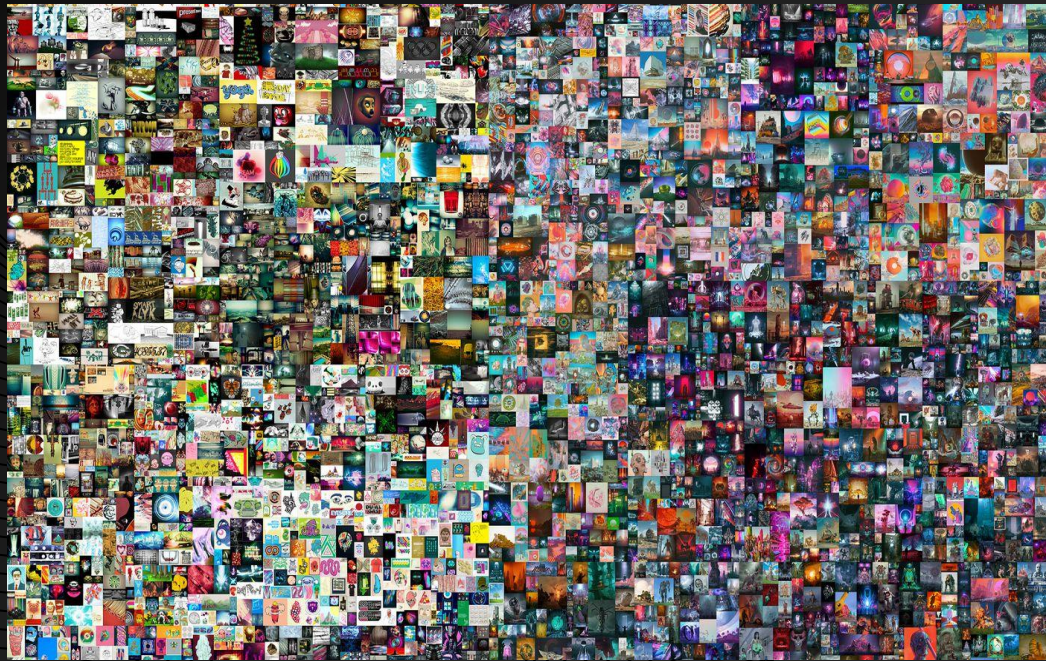

Good! Good!

NFT's can be sold as multiple unit or a unique 1 of 1 making it more rare. Also NFT's are priced at what the creator thinks it's worth.

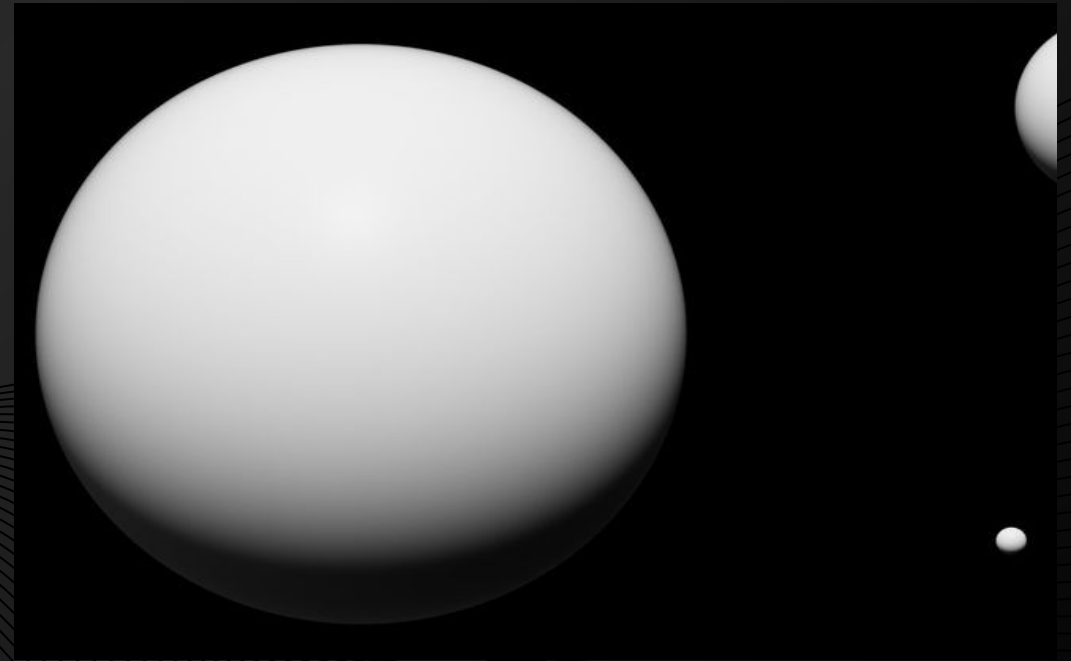

Here are a few examples of Various creative NFT's sold for a ridiculous price.

NFT Cash Cows

The Verge – Sold for \$69 Million

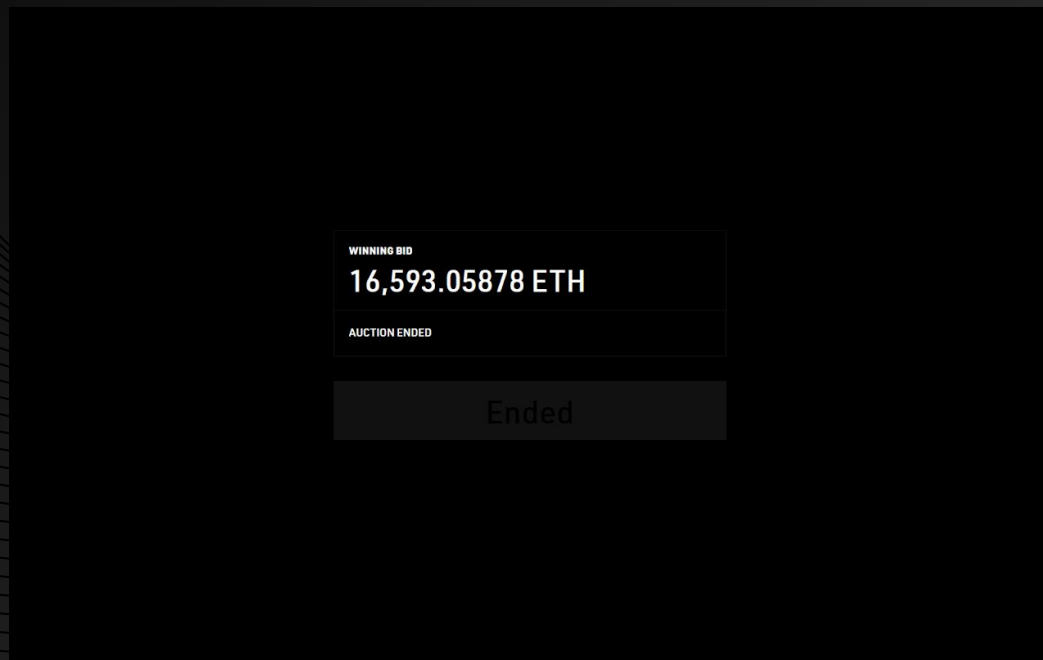

Merge – Sold for \$91 million

NFT Piggy Banks

Clock – Sold for \$52.7 Million

Crypto Punk #5822 – Sold for \$23 million

Features

1.

Art.

2.

Music

3.

Literature

4.

ASMR.

5.

Utility (documents etc)

6.

Collector Groupies
(subscription based)

7. Private Show room

8. Videos

9. Sports

1.

Art

The art section of the collectors club will be to promote various different artist in their own sectors and expertise. The ultimate goal is to auction rare art and become the digital Sothesby of the world.

2.

Music

Music has rarely been represented in the NFT marketplace. On the collectors club Marketplace musicians will be able to sell whole albums with our unique nft system. This will make things easier for artist to be heard and their product is also protected at the same time.

3.

Literature

This category of the Collectors Club will allow people to upload rare reads that are considered gems in the real world. Authors will also be able to publish and sell their work via NFT. This includes writers, journalists, scientist, historians and poets.

4.

ASMR.

ASMR which stands for Autonomous Sensory Meridian Response has taken the world by storm. ASMR artist will be able to create their work and sell it as one of a kind NFTs for the crowd that loves this type of work.

5.

Utility Documents

Perhaps the creme de le creme of the NFT platform will be Utility Documents. This is what will separate us from the rest of any other platform existing. Real estate deeds, title deeds, audits, legal documents and more will be minted and transacted and verified through NFTs. The first utility document to be displayed will be some of the assets of Majestic Coin.

A decorative background featuring a large, stylized number '6' in a light purple color on the left side. The number is composed of a thick stroke. Below the number, there are several thin, wavy lines in a dark grey color that flow across the bottom of the slide. A small purple dot is positioned to the right of the number's base.

6.

Groupies

This category of the Collectors Club will mimic Only Fans sans the sexual content. Here people can subscribe to the private life of an artist for a fee sold in the form of a monthly subscription in the ticketing form of a nft.

7.

Private Show Room

This unique category allows for digital concerts, and exclusive content to be sold at a high rate for hungry fans. Artist will be able to display new music exclusively linked to the one of a kind NFT.

Also here professionals from every walk of life will be able to do Masterclasses for their followers and therefore monetize their gift set.

8.

Videos

Social media influencers, artist and even copy artist will be able to take any video of unique substance and sell it on the platform. This includes Timeless pieces like weddings, iconic sports moments, historical events and more.

9.

Sports

Sports Cards, Collectors items, tickets, videos, and more will be offered on the collectors club. Sports is a huge draw and a very sentimental things for human beings. It is a uniter where lines are often drawn and tends to bring out the best in people.

Endless Possibilities

Creating an experience through NFT marketplace, allowing for exploration and discovery.

Thank you!
